Kidney and Bladder Troubles HAVE TO GO

Clogged up Kidney Deposits are Dissolved and the Toxins (Poisons) Completely Driven Out. Druggists Told to Guarantee it in Every Instance.

"Your very life," says Dr. Carey, "depends upon the perfect functioning and health of your kidneys, so whatever you do don't neglect them."

Dr. Carey's famous prescription No. 177 known as Marshroot is not recommended for everything, but we cannot too strongly urge its use if you suffer from annoying bladder troubles, frequent passing of water night and day with smarting or irritation, brick dust sediment or highly colored urine, burning irritability with loss of flesh, backache, rheumatism or any other tendency to Bright's Disease, Diabetes or Gravel, for kidney disease in its worst form may be stealing upon you.

Don't wait until tomorrow to begin the use of this wonderful prescription if you have any of the above symptoms. Kidney and Bladder troubles don't wear away. They will grow upon you slowly, stealthily and with unfailing certainty.

Never mind the failures of the past if you even suspect that you are subject to Kidney Disease, don't lose a single day for every good druggist has been authorized to return the purchase money on the first two bottles to all who state they have received no benefit. Advt.
